

*Are you a small business with 50 employees or less?*

## Small Business Health Options Workshop

**FRIDAY, NOVEMBER 7**  
**10 a.m. – 11 a.m.**

**University of South Florida Small Business Development Center**  
**1101 Channelside Drive, Suite 210**  
**Tampa, FL 33602**

Learn about tax credits for small businesses that enroll in the Business Health Options Program (SHOP), a marketplace where employers will be able to choose from a range of affordable plans to offer their employees. **Enrollment begins November 15, 2014.**

To help small businesses in our Tampa Bay community prepare for this enrollment period, I am hosting this workshop with experts from the Small Business Majority to share important information about how SHOP benefits small businesses and answer questions owners may have. Most businesses are eligible for tax credits to make providing employee health insurance even more affordable.

Para ayudar a nuestras empresas pequeñas de la Bahía de Tampa con la preparación de la inscripción del mercado nuevo de seguros de salud, yo estoy auspiciando un taller con expertos para compartir detalles sobre los créditos de impuestos y recursos disponibles para buscar planes a bajo precio para sus empleados.

**El periodo de inscripción empieza el 15 de noviembre.**
