

I am hosting an

Affordable Care Act Workshop for Small Businesses

FRIDAY, NOVEMBER 7
10 a.m. – 11 a.m.

University of South Florida Small Business Development Center
1101 Channelside Drive, Suite 210
Tampa, FL 33602

Learn about the Affordable Care Act's Small Business Health Options Program (SHOP), a marketplace where employers will be able to choose from a range of affordable plans to offer their employees. **Enrollment begins November 15, 2014.**

To help small businesses in our Tampa Bay community prepare for this enrollment period, I am hosting this workshop with experts from the Small Business Majority to share important information about how the ACA benefits small businesses and answer questions owners may have. Most businesses are eligible for tax credits to make providing employee health insurance even more affordable.
