Dear Major General:

This is a follow-up to the letter sent to you several weeks ago, regarding the proposal and the Department of Veterans Affairs' interest and plans for the Fort Homer Hesterly Armory in Tampa, FL. As promised, my leadership team and I have reviewed our previous proposal for use of this property.

We understand there is another entity that is interested in the Armory property as well. As a result, we would like to withdraw our request to use this space. However, we would like to reserve the option, at a later date, to explore future opportunities for possible use of space you may have available at that time.

Thank you for allowing us time to reconsider our previous proposal. Your consideration and understanding is greatly appreciated.

Sincerely,

Kathleen R. Fogarty
Director
