Dear Major General:

By way of introduction, I am the new Medical Center Director at the James A. Haley Veterans' Hospital. At your convenience, I would like to invite you to tour our facility here in Tampa and meet with some of our key staff, Veterans and active duty patients.

The purpose of this letter is to advise that as the new Director of the facility, I am currently reviewing the proposal and reassessing the plans relating to the Department of Veterans Affairs' acquisition of the Fort Homer Hesterly Armory in Tampa, FL. I understand there is another entity that is possibly interested in the Armory property as well. My review of this proposal should be complete within the next 30 days. I will notify your office of our facility's intentions as it relates to our proposed use of this space.

Your consideration and understanding is greatly appreciated.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kathleen R. Fogarty".
