establi		Environmental Protection Agency to perlocal air quality monitoring projects ies, and for other purposes.
IN	N THE HOUSE OF	REPRESENTATIVES
Ms. Casto	R of Florida introduced the t	following bill; which was referred to the
	A B	BILL
tion air c	Agency to establish a	of the Environmental Protec- a pilot program for hyperlocal ojects in environmental justice purposes.
1	Be it enacted by the Se	enate and House of Representa-
2 tives	of the United States of	America in Congress assembled,
3 SECT	TION 1. SHORT TITLE.	

This Act may be cited as the "Environmental Justice

4

7

Congress finds that—

6 SEC. 2. FINDINGS.

Air Quality Monitoring Act of 2022".

1	(1) air pollution inflicts disproportionate harm
2	on Black people, Indigenous people, and people of
3	$\operatorname{color};$
4	(2) air quality can vary up to 800 percent from
5	block to block within a single neighborhood;
6	(3) it is possible to identify and attribute
7	sources of pollution based on fingerprint analysis of
8	multiple pollutants;
9	(4) existing methods that are prescribed for
10	basin-wide air quality monitoring—
11	(A) are cost-prohibitive for monitoring
12	community-scale air quality; and
13	(B) do not, as of the date of enactment of
14	this Act, measure the intrinsic variability of
15	persistently poor air quality in environmental
16	justice communities at the neighborhood block
17	level; and
18	(5) the Environmental Protection Agency has
19	existing authority under the Clean Air Act to ad-
20	dress air pollutants, including greenhouse gases.
21	SEC. 3. DEFINITIONS.
22	In this Act:
23	(1) Administrator.—The term "Adminis-
24	trator" means the Administrator of the Environ-
25	mental Protection Agency.

1	(2) AIR POLLUTANT.—The term "air pollutant"
2	has the meaning given such term in section 302(g)
3	of the Clean Air Act (42 U.S.C. 7602(g)).
4	(3) Eligible hyperlocal air quality data
5	PROVIDER.—The term "eligible hyperlocal air qual-
6	ity data provider" means an organization with the
7	demonstrated ability to deploy hyperlocal air quality
8	monitoring systems in support of State, local, or
9	Tribal air agencies.
10	(4) Environmental justice.—The term "en-
11	vironmental justice" means the fair treatment and
12	meaningful involvement of all people, regardless of
13	race, color, culture, natural origin, or income, in the
14	development, implementation, and enforcement of
15	environmental laws (including regulations) and poli-
16	cies to ensure that each person enjoys—
17	(A) the same degree of protection from en-
18	vironmental and health hazards; and
19	(B) equal access to any Federal agency ac-
20	tion relating to the development, implementa-
21	tion, and enforcement of environmental laws
22	(including regulations) and policies for the pur-
23	pose of having a healthy environment in which
24	to live, learn, work, and recreate.

1	(5) Environmental justice community.—
2	The term "environmental justice community" means
3	a community with significant representation of com-
4	munities of color, low-income communities, or Tribal
5	and Indigenous communities that experiences, or is
6	at risk of experiencing, higher or more adverse
7	human health or environmental effects, as compared
8	to other communities.
9	(6) Hyperlocal air quality monitoring
10	SYSTEM.—The term "hyperlocal air quality moni-
11	toring system" means a method of monitoring ambi-
12	ent air quality and detecting the presence of air pol-
13	lutants that—
14	(A) yields frequently repeated, ongoing
15	measurements of air pollutants at a block-level
16	resolution; and
17	(B) identifies hotspots of persistent ele-
18	vated levels of air pollutants localized to, and
19	caused by the characteristics of, a specific geo-
20	graphic location.
21	(7) Nonprofit organization.—The term
22	"nonprofit organization" means an organization de-
23	scribed in section 501(c)(3) of the Internal Revenue
24	Code of 1986 and exempt from taxation under sec-
25	tion 501(a) of that Code.

1	(8) PILOT PROGRAM.—The term "pilot pro-
2	gram" means the pilot program established under
3	section 4(a).
4	SEC. 4. PILOT PROGRAM FOR HYPERLOCAL AIR QUALITY
5	MONITORING PROJECTS IN ENVIRONMENTAL
6	JUSTICE COMMUNITIES.
7	(a) Establishment.—Subject to the availability of
8	appropriations, the Administrator shall carry out a pilot
9	program to award, on a competitive basis, grants or con-
10	tracts to State, local, and Tribal air agencies, in partner-
11	ship with local nonprofit organizations or eligible
12	hyperlocal air quality data providers, to carry out projects
13	described in subsection (b) for hyperlocal air quality moni-
14	toring systems in environmental justice communities.
15	(b) Projects.—A State, local, or Tribal air agency
16	that receives a grant or contract under the pilot program
17	shall use amounts received under the grant or contract
18	to carry out an air quality monitoring project within a geo-
19	graphical region specified by the State, local, or Tribal air
20	agency—
21	(1) to monitor air quality at a level of discrete-
22	ness capable of monitoring an area that is the small-
23	er of—
24	(A) a block; and
25	(B) a 100-meter radius;

1	(2) to identify areas of persistent elevated air
2	pollution levels above a relevant background level;
3	(3) to regularly monitor air quality using moni-
4	toring technology that meets the data quality objec-
5	tives of the Environmental Protection Agency, which
6	may, in the determination of the Administrator, in-
7	clude a requirement that the technology qualify as a
8	Federal Reference Method or a Federal Equivalent
9	Method;
10	(4) to determine changes in ambient levels of
11	relevant air pollutants;
12	(5) to generate equity maps by geographical
13	area, including generating maps using such variables
14	as demographic data relating to race, ethnicity, and
15	income level; and
16	(6) to report hyperlocal air quality data and
17	mapping tools to—
18	(A) community residents through an online
19	platform to increase public awareness and en-
20	gagement; and
21	(B) relevant local, State, Tribal, and Fed-
22	eral air pollution managers to inform manage-
23	ment decisions, such as the placement or reloca-
24	tion of stationary air pollution monitors, trans-
25	portation or land use planning, investments in

1	mitigating air pollution sources, and other plan-
2	ning decisions.
3	(c) Project Selection.—
4	(1) Applications.—A State, local, or Tribal
5	air agency seeking a grant or contract under the
6	pilot program shall submit to the Administrator an
7	application at such time, in such manner, and con-
8	taining such information as the Administrator may
9	require.
10	(2) Prioritization.—In selecting projects to
11	receive grants or contracts under the pilot program,
12	the Administrator shall give priority to projects
13	that—
14	(A) would be carried out in areas with high
15	rates of illness associated with exposure to air
16	pollution, as determined by the Administrator,
17	including childhood asthma, adult asthma,
18	chronic obstructive pulmonary disease, heart
19	disease, chronic bronchitis, and cancer;
20	(B) seek to identify pollution sources
21	through multipollutant analysis when relevant;
22	(C) would be able to assess pollution bur-
23	dens on sensitive individuals who may be at
24	greater risk of adverse health effects from expo-

1	sure to the air pollutants to be monitored as
2	compared to the general population; and
3	(D) would promote—
4	(i) public access and transparency of
5	data; and
6	(ii) proactive outreach for community
7	engagement and awareness.
8	(3) Equitable funding distribution.—A
9	State, local, or Tribal air agency that receives a
10	grant or contract under the pilot program shall en-
11	sure that air quality monitoring projects deployed
12	using amounts from the grant or contract—
13	(A) provide full-time, salaried employment
14	opportunities, with benefits, to local residents of
15	environmental justice communities, which may
16	include employment or training for positions
17	such as—
18	(i) air quality monitoring device in-
19	stallation, maintenance, and calibration
20	technicians;
21	(ii) data scientists, atmospheric sci-
22	entists, chemists, epidemiologists, and so-
23	cial scientists;
24	(iii) software developers, engineers,
25	and interface designers;

1	(iv) community engagement and com-
2	munications and outreach specialists;
3	(v) air quality monitor operators;
4	(vi) environmental justice organizer;
5	and
6	(vii) environmental health advocate;
7	and
8	(B) direct not less than 40 percent of the
9	amount received from the grant or contract to-
10	ward the employment opportunities described in
11	subparagraph (A).
12	(d) Wage Rate Requirement.—Not withstanding
13	any other provision of law, all laborers employed under
14	projects funded directly by a grant or contract provided
15	to a State, local, or Tribal air agency under the pilot pro-
16	gram shall be paid wages at rates not less than those pre-
17	vailing on projects of a similar character in the locality,
18	as determined by the Secretary of Labor in accordance
19	with subchapter IV of chapter 31 of title 40, United States
20	Code (commonly referred to as the "Davis-Bacon Act").
21	(e) Duration.—A project carried out using a grant
22	or contract awarded under the pilot program may not ex-
23	ceed 5 years in duration.
24	(f) EVALUATION METRICS.—To evaluate the effec-
25	tiveness of the pilot program, the Administrator shall es-

1	tablish, based on the project requirements described in
2	paragraphs (1) through (6) of subsection (b), metrics and
3	reporting requirements for grant recipients.
4	(g) Reports.—
5	(1) Annual reports.—Not later than 180
6	days after the end of each fiscal year in which the
7	Administrator carries out the pilot program, the Ad-
8	ministrator shall submit to Congress a report on the
9	results of the pilot program for the previous fiscal
10	year, which shall include, with respect to the fiscal
11	year covered by the report—
12	(A) a description of each project awarded
13	a grant or contract under the pilot program;
14	(B) a description of the evaluation metrics
15	established under subsection (f);
16	(C) the results of and the insights devel-
17	oped from the monitoring carried out under
18	projects for which grants or contracts were
19	awarded under the pilot program; and
20	(D) whether the Administrator proposes to
21	continue air quality monitoring at the locations
22	monitored by projects for which those grants or
23	contracts were awarded.
24	(2) Final Report.—Not later than 180 days
25	after the date on which the final project carried out

1	using a grant or contract awarded under the pilot
2	program is completed, the Administrator shall sub-
3	mit to Congress a report that describes the results
4	of the pilot program, which shall include—
5	(A) a description of the pilot program;
6	(B) a description of the air quality moni-
7	toring data collected under projects that re-
8	ceived grants or contracts under the pilot pro-
9	gram;
10	(C) an assessment of the effectiveness of
11	the pilot program using the evaluation metrics
12	established under subsection (f) and informa-
13	tion received from the reporting requirements
14	established under that subsection;
15	(D) a description of the benefits and costs
16	of the pilot program, including an estimate of
17	the benefits and costs of making the pilot pro-
18	gram permanent;
19	(E) an estimate of the cost of expanding
20	the pilot program to monitor air quality in air
21	basins that are adjacent to air basins for which
22	air quality was monitored under projects that
23	received grants or contracts under the pilot pro-
24	gram; and

1	(F) such recommendations for legislation,
2	regulation, or administrative action as the Ad-
3	ministrator considers appropriate, including rec-
4	ommendations for—
5	(i) reducing air pollution burdens in
6	identified hotspots; and
7	(ii) extending the pilot program or
8	making the pilot program permanent.
9	(h) Authorization of Appropriations.—
10	(1) In general.—There is authorized to be
11	appropriated to the Administrator \$100,000,000 for
12	each of fiscal years 2022 through 2027 to carry out
13	the pilot program.
14	(2) Supplement, not supplant.—Amounts
15	made available under paragraph (1) shall supple-
16	ment, and not supplant, other amounts made avail-
17	able to address harms resulting from air pollution.
18	SEC. 5. SAVINGS CLAUSE.
19	Nothing in this Act shall be construed as altering,
20	limiting, revising, or weakening existing Federal law to
21	protect public health or welfare from air pollution.
