Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding to for the Mariposa Women's Neuropsychiatric Hospital for fiscal year 2022. The intended recipient is Mental Health Care, Inc (Gracepoint) and is located at 5707 North 22nd Street, Tampa, Florida 33610. This project would be a valuable use of taxpayer funds because 24 additional psychiatric beds for women in our community will not only address a significant shortfall in capacity but will also provide critically needed psychiatric services to thousands of women annually. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kathy Castor
