Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Building Tampa's Tomorrow-Workforce Development Initiative in fiscal year 2023. The entity to receive funding for this project is Hillsborough County Public Schools located at 901 East Kennedy Boulevard, Tampa, FL 33602. The project would be a valuable use of taxpayer funds because it would educate students in a variety of medical and building construction professions to create a needed pipeline of skilled labor in the highest demand fields within Hillsborough County and provide opportunities for underrepresented youth to access high-skilled trade careers. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kathy Castor
